

BIG BULLY™ HEAVY HITTER

INDUSTRIAL STRENGTH HAND CLEANER

BIG BULLY™ HEAVY HITTER is a heavy-duty hand cleaner created especially for professional and industrial applications. HEAVY HITTER cleans deep without the use of harsh solvents that can dry and crack hardworking hands. Because HEAVY HITTER is fortified with premium skin conditioners and contains no dyes, it soothes and moisturizes better than other heavy-duty hand cleaners. Extra strength hand cleaner contains natural and biodegradable ingredients. Walnut shell scrubbers remove even the toughest dirt and soils.

Directions:

Dispense Heavy Hitter Hand Soap into soiled hands to loosen and dissolve soils and stains. Make sure to work well into knuckles, palms and fingers. Add a small amount of water to create a lather. Finish by rinsing thoroughly, preferably with warm water. Wipe completely dry.
