KEEP OUT OF REACH OF CHILDREN

PRECAUTIONS: If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wear eye and face protection.

FIRST AID:

EYE CONTACT: Rinse eyes cautiously with lukewarm, gently flowing water for 15 minutes, while holding the eyelids open. Remove contact lenses, if present and easy to do. Take care not to rinse contaminated water into unaffected eye or onto the face. Immediately call a POISON CENTER or doctor.

IF SWALLOWED: Rinse mouth. Give two glasses of water. If you feel unwell or concerned: Get medical attention. Do NOT induce vomiting unless under the advice of doctor or POISON CENTER.

IF ON SKIN: Wipe off with a towel. Wash with soap and water. Get medical attention if irritation persists.

IF INHALED: Remove source of exposure or move person to fresh air and keep comfortable for breathing. If you feel unwell/if concerned: Get medical advice/attention.

STORAGE: Keep container(s) tightly closed and properly labeled. Store in cool, dry, well-ventilated areas away from heat and direct sunlight. Store in approved containers and protect against physical damage. Keep containers securely sealed when not in use. Containers that have been opened must be carefully resealed to prevent leakage. Store at temperatures under 120°F.

DISPOSAL: Dispose of in accordance with local/regional regulations.
