

ODOR NEUTRALIZING AIR FRESHENER LEMON ICE

Professional strength dry odor counteractant spray with easy-to-use finger spray applicator for hand-held use. Effective for everyday use in any environment where unpleasant odors arise such as vehicles, garages, restrooms, smoking areas, offices, restaurants, hotels and more.

This product contains Ordenone®. Ordenone is a trademarked ingredient used in air fresheners and deodorizers to eliminate odors rather than just mask them. It works by trapping odor-causing molecules, effectively neutralizing the source of the smell. It is a non-toxic and non-allergenic substance, making it suitable for various environments.

SAFETY INFORMATION

PRECAUTIONS: If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash hands thoroughly after handling. Wear protective gloves, eye protection and face protection. Avoid breathing mist, vapors or spray. Contaminated work clothing should not be allowed out of the workplace. Use only outdoors or in a well-ventilated area.

FIRST AID:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation or a rash occurs: Get medical attention. Take off contaminated clothing and wash it before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.
