

WATERLESS HAND WASH HEAVY DUTY HAND CLEANER

WATERLESS HAND WASH is a heavy duty aerosol gel hand cleaner that can be used with or without water. Specially formulated to deep clean tough grease, ink, tar, paint and dirt from hands without sticky residue. Works deep into the pores of skin to leave hands clean. The aerosol packaging allows for convenient application and handling.

Recommended for: Construction workers, mechanics, vehicle detailers, oilfield personnel, machinists, plumbers, printers, painters, industrial and municipal workers and anyone that gets their hands dirty in the field.
